

STEWARDSHIP SOLUTIONS

Stewardship Solutions Ltd is a respected chemicals management consultancy run by a chemical industry professional (ICI, Zeneca, Avecia) with over 30 years' experience – Dr Chris Eacott.

A focus of the company is EU chemicals regulatory compliance, with a special emphasis on REACH and CLP.

We are also leaders in the implementation of chemical industry Product Stewardship programmes and Management Systems.

Our strength is our ability to translate often complex regulatory and industry obligations into readily achievable compliance strategies and processes.

We thrive on providing solutions to compliance challenges.

Stewardship Solutions is a REACHReady-approved service provider.

What do our clients say about us?

'after working with you on this difficult [REACH] registration situation, there will never be anyone else but you that I would work with'
CEO, US polymer manufacturer

'I have no hesitation in recommending Stewardship Solutions as a company that can provide informative and capable [REACH & CLP] support.'
MD, Hong Kong distributor - dyes & pigments

'[Stewardship Solutions] have great expertise in product stewardship combined with an ability to understand the global picture but at the same time provide pragmatic, local solutions.'
Dr Richard Shone, Innospec

'[Chris] was the most professional and capable person we contacted and so we engaged his services to facilitate/complete registration for us under the very complex REACH program.'
MD, Australian manufacturer of chemical preparations

'I have no hesitation in recommending Chris as a potential business partner.'
Mike Barry, Head of Corporate Social Responsibility, Marks & Spencer

'our organisation and our members have found Chris's vast knowledge on the subject of product stewardship second to none'
Aiofe Clarke, Technical Affairs Executive, Pharmaceutical Ireland

'I was impressed at the depth and rigour of [Stewardship Solutions'] investigation, and yet their report was both readable and well summarised'
Devanand J. Crease, Associate, Keltie Patent and Trade Mark Attorneys

'The result was a successful project delivered on time and in budget, with clarity on the next steps.'
Environmental & Compliance Manager, major UK retailer
